THE YOUNG PEOPLE'S PHILHARMONIC WIND SYMPHONY

The YPP has been expanding its offerings in the past few years, to give music students in the Lehigh Valley a fuller array of ensemble experiences. Thanks to the efforts of Dr. Nancy Beitler, and the Board committee, the YPP Wind Symphony is becoming a reality.

The Young People's Philharmonic has always had a robust string section, in part due to the students who start in JSP and move up into the symphony orchestra. One goal of the Wind Symphony is to attract young students to the organization, and prepare them for the full symphonic experience.

We have been able to lay the groundwork for the first regional student concert band in the area in over 20 years. We are excited that auditions for the Wind Symphony brought out enough students to move forward with rehearsals in the upcoming season.

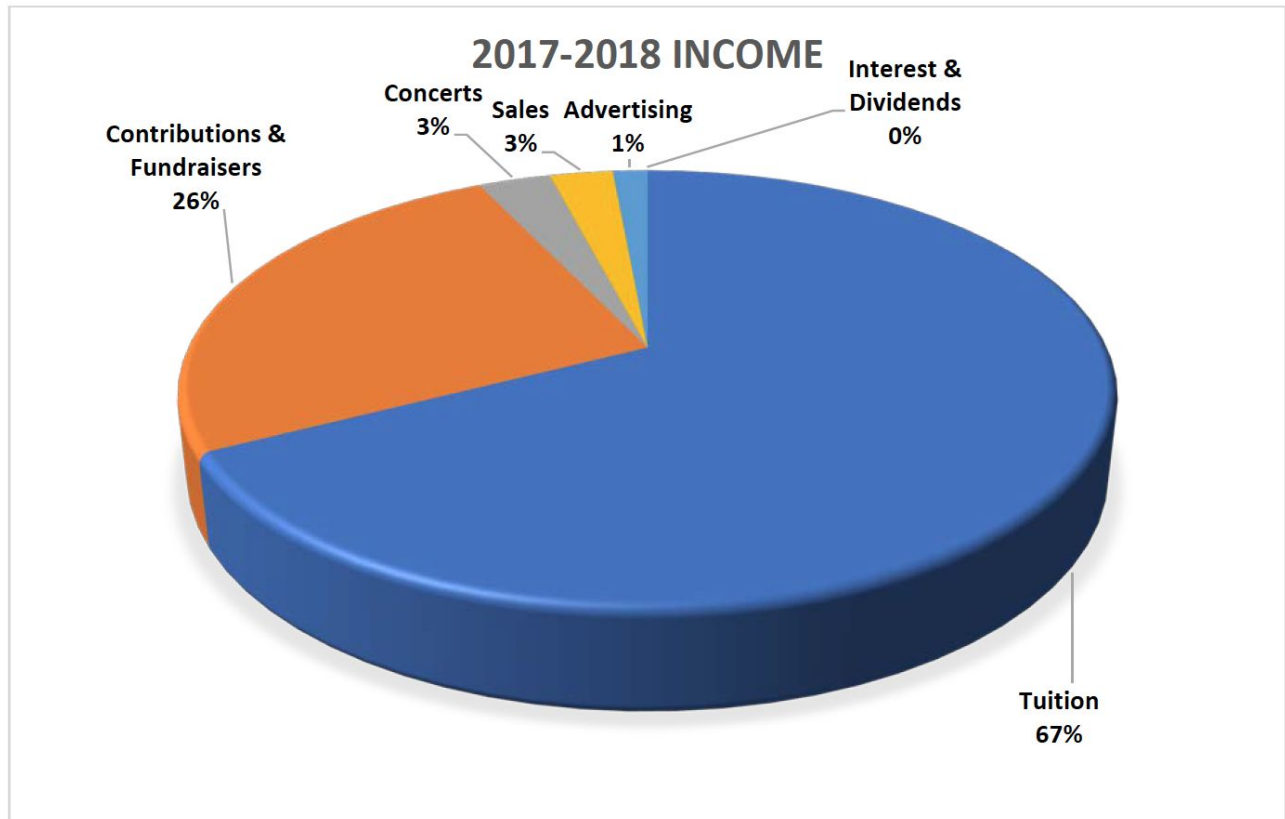

PROGRESS ON POLICIES AND GOVERNANCE

- ✓ Passed the first ever Family Handbook including program information for Members
- ✓ Passed the most comprehensive Board and Administrative Policy Handbook for the smooth operation of the organization
- ✓ Passed a comprehensive YPP Chamber Player Charter, detailing the scope of the program, and delineating all policies and procedures for all personnel involved.
- ✓ Codified a policy to evaluate and disseminate Financial Aid to participants.
- ✓ Held the first ever Organization-wide Retreat in July 2018 to have conversations on direction, Mission and Vision of the YPP organization.
